A PROGRAM DEDICATED TO
RECOGNIZING AND HONORING
EMPLOYEES AND VOLUNTEERS
WHO ARE LIVING THE MISSION OF
CATHOLIC HEALTH SERVICES OF LONG ISLAND

PROGRAM DESCRIPTION

The **“Living the Mission” Award** is a program that has been designed to recognize the employee work ethic as it reflects the “Core Values” of the Mission of CHSLI, as we keep the promise to always care for our patients in a compassionate, caring manner in all aspects of their care.

The Mission and Ministry Committee has recognized that in order for the program to succeed, the employees and volunteers need to fully understand what it means to continue to enhance the culture of our organization. The Administrative Team acknowledges the importance of “Living the Mission” as a way to recognize those employees who fulfill the promise to keep this initiative alive.

The **“Living the Mission” Award** is based on the Four (4) Core Values of the CHSLI Mission Statement:

- Respect
- Justice
- Integrity
- Excellence

These Core Values should be at the center of our daily work initiative. Each and every employee should make this their daily promise. Incorporating these values into our daily living will encourage a positive change in how we perform our responsibilities.

This award has been designed to recognize employees and volunteers who are **Living the Mission** of CHSLI.

*The **“Living the Mission” Award** is reflective of your true value as an employee or volunteer who has demonstrated above and beyond dedication to CHSLI and to the care and compassion for our Patients, Families, and Staff.*

Our goal is to recognize those employees and volunteers who perform their work responsibilities, strive to go above and beyond their normal workday, and take that extra effort to enhance and exemplify the “Core Values.” The Mission and Ministry Committee is confident that we can accomplish this because we know we have many CHSLI employees and volunteers who live The Mission every day.
